IDAHO'S POPULATION.

Senator Power Introduces a Bill to Dis-

pose of Fort Maginnis, Montana. Washington, August 26. - The total

51,619 or 158,29 per cent. Secretary Windom says that, as he desires a release at present, from the treasury, all the money he can, he will continue to buy silver, if the offers are reasonable, without regard to the quota

proportion for the month.

Mr. Morrow, of California, said to-day that his determination, announced a year ago, not to accept another nomination for Congress, was final. He appreciated highly the honor done him by the fourth nomina-tion, yesterday, but in justice to him-self and family he finds he must give

personal attention to his private affairs.
Mr. Martin, of Indiana, from the
Committee on Invalid Pensions, today presented the House minority reports in opposition to bills granting pensions of \$2000 per year to the widows of Generals McClellan and Fremont.

Senator Power, today, introduced a bill of produce for the disposal of Fort Maginnis, the military reservation in Montana, under the homestead and mining laws. Six hundred and fiorty acres will be granted to the State so as to embrace all the buildings and improvements on the reservation to be used for educational and other purposes.

TRELAND'S FAMINE.

When the Potato Crop Fails the People

Healy, referring to the potato blight, said: "Nothing stood between the people and starvation during the coming winter. twelve days in the County Jail. The Government was represented as being most anxious to provide employment through the building of new railways and the act recently passed will be ways and the act recently passed will be northeast, a distance of thirty-five miles, and to Mesa City on the east, a distance and to Mesa City on the east, a distance tion to meet the coming famine. Besotted stupidity marked the whole conduct of the executive.

named Bruns, who lived in the village Phonix for the space of fifty years. Mr. of Weaterwich, having cause to suspect Hine states that the system will be a his wile of unfaithfulness, called her complete one in every particular, but it and the children in the cellar, barred the doors and declared she must die for her crime. He made all pray for the forgiveness of her sin. This done, he bound her to a wooden bench and with a sabre he hacked her head of. He then blew out his brains. The screams of the children attracted to be mainly an adjunct to the electric light plant. The works, upon which \$50,000 are to be spent, will be placed on the same lot as the electric light works and operated by the same man agement. The greams of the children attracted known as water are very different from The screams of the children attracted known as water gas, very different from the attention of the neighbors who that at present used here, which is broke open the door and found the little made from coal oil. The price for the

scene was witnessed in the jail this morning, when Frederick Davis, who was sentenced to death for wife murder, was executed. His head was half torn from his shoulders by the drop. The
